## *Announcements*

- **Please sign-in at the table out front**
  - We will publish a list of attendees on the ARO website, so please indicate on the sign-in form if you would like your information published
  - We will also publish the names, contact information, and areas of interest for organizations seeking to collaborate on a proposal. If you would like your information published as a potential collaborator, submit that information at the registration desk also.
- **Hold all questions until Q&A session at the end**
- **Submit all questions in writing at the registration table**
- **Nothing said today changes the requirements described in the program announcement . However, we may issue an amendment to the program announcement based on what we learn today.**
- **All slides and Q&As will be published on the ARO website after the Industry Day**
