

STRONG Innovation Summit Series Week 1 Details

Monday, June 8th 2020:

We will kick off the first week of the Innovation Summit Series with a welcome from STRONG program lead, Arwen DeCostanza. Breakout groups will be utilized to discuss overall goals for the summit. We will then come back together to set expectations.

Tuesday, June 9th 2020:

A panel of Cycle 1 participants will answer questions about getting the most out of the Innovation Summit Series. Get to know other attendees with a fun icebreaker.

Thursday, June 11th, 2020:

We will begin to develop team creativity with a unique team-building activity. We will also brainstorm to develop a shared understanding of team states and processes. Wrap up the week by discussing expectations for Week 2.
