ARLOutreach@arl.army.mil

Objectives:

- Enhance discovery and innovation through diverse academic perspectives and experiences.
- Foster unique professional development opportunities for researcher fellows and mentors.
- Introduce talented researchers to the evolving ARL research mission.

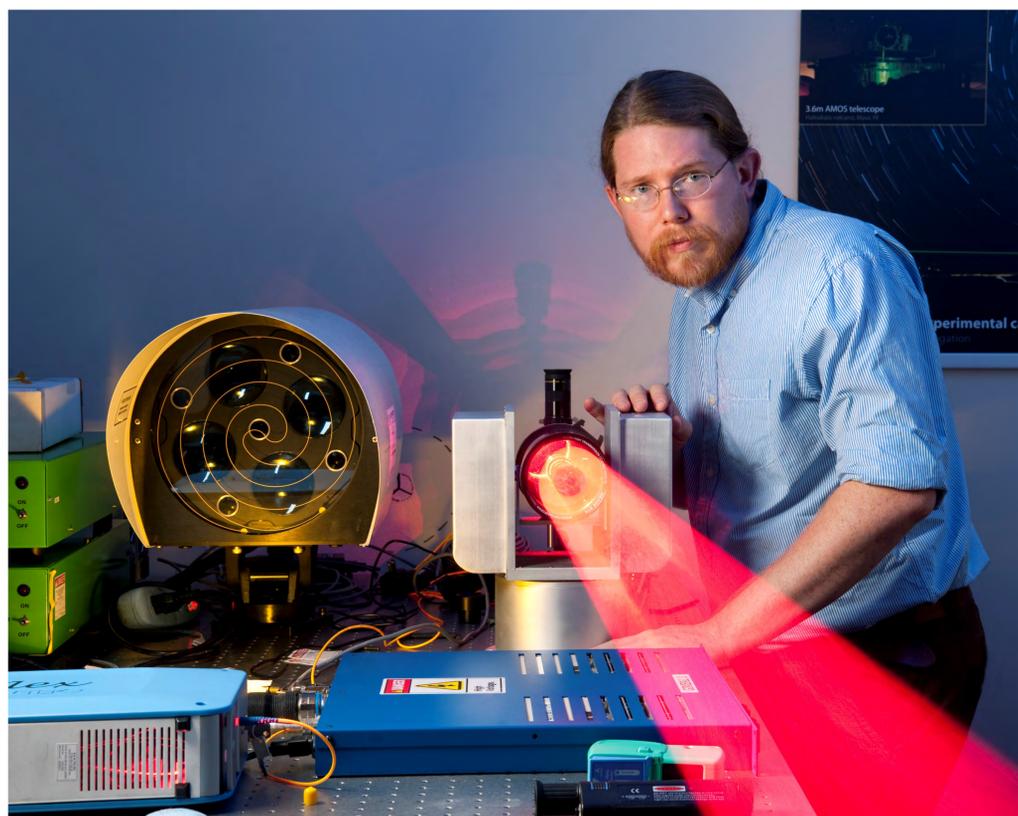

Mechanism:

- Sources – Cooperative Agreement:
 - National Research Council (NRC)
 - Oak Ridge Associated Universities (ORAU)
- Types of Fellows::
 - Postdoctoral
 - Senior
 - Short-term
 - Journeyman Fellow
 - ARL Distinguished Postdoctoral Fellowship

ARL Postdoctoral Association (PDA):

- First DoD laboratory with a Postdoctoral Association.
- Enhance ARL postdoctoral experience.
- Provide transitional support.
- Promote professional and social interactions
- Enhance interactions with ARL leadership.

Benefits of an ARL Research Fellowship:

- Attractive Stipend, Health Insurance, Professional Development/Travel Allowance
- Potential entry into the ARL workforce
- Strengthen the reputation of ARL as a premier postdoctoral research institution.
